## WORK EXPERIENCE

---

### Associate Technical Consultant, Adobe India

June 2022 — Present

Bangalore, Karnataka

- **Key Skills:** React.js, Javascript, Node.js
- Worked on designing user-friendly interfaces and build several webapps from scratch for Adobe as extended offerings to deploy to various clients. Gave successful demos and enablement sessions to internal teams and clients.
- To reduce latency throughout website, designed the back-end architecture to be deployed on AWS or Adobe's server-less platform for increased performance of website.
- Have hands-on experience for implementation work on Adobe Experience Platform and Adobe Analytics for custom client solutions, ensuring timely and quality delivery to strategic client accounts.

### Technical Consultant Intern, Adobe India

May 2021 — July 2021

PSR UI Management Tool

Bangalore, Karnataka

- **Key Skills:** React.js, MySQL, Express.js, Node.js
- Worked on re-building an internal tool for Adobe, to be used for management of their custom solutions project details.
- Designing a friendly user interface on Figma and implementing CRUD functionalities with React
- Connecting it to real back-end database of MySql with Express server

## PROJECTS

---

### Password Manager

July 2021

- **Key Skills:** React.js, MySQL, Express.js, Node.js
- Creating an application to maintain our passwords of different accounts
- For security, I used encryption-decryption algorithms to store the password in the database

## VOLUNTEER EXPERIENCE

---

- Create Change Initiative - Actively participated in various Create Changes Drives where children from several NGOs are invited to either showcase their talents, or to provide these children with unique experiences of indoor and outdoor sports. Also participated in fund raisers for winter cloth collection.
